

Product Brochure

CMO EASY LIFT 3000

THE CMO EASY LIFT 3000 is a mobile hydraulic crick lift, with a column structure, built and manufactured to allow the operator to work on wheels or under doors at man height. The raise and descent movement are obtained using a sleigh fixed to a chain connected to a hydraulic cylinder. Hydro-pneumatic pump with hand remote control, reduced dimensions and a remarkable ease of handling. Obtained thanks to wheels allowing an easy disciplined are its main features.

Technical Data:

Weight: 85Kg

Max Vehicle Weight: 3000kg

Max Lifting Height: 995mm

Lift Height: 1330mm

Lift Width: 660mm

Lift Length: 1010mm

Pump Pressure: 350 bar
