KARAJEN 8 POSITION GUN SHELF

The new 8-Position Gun Shelf hangs up to 8 spray guns. The slots are sized for the various cup adapters related to disposable cup systems. Now, you can hang your guns with or without the disposable cup. Standard guns (traditional metal or plastic cups) also work on this model.

The 8-Position Gun Shelf is perfect for mixing rooms where many guns are stored. Or, it can be placed inside a cabinet that is at least 25" wide and 9" deep.

This model is available in Magnetic Mount, or Bolt-On. **For Bolt-On Mount, self tapping sheet metal screws are provided, but the type of fasteners actually needed for mounting may be different depending on the surface to which it is being attached. So, please discard the sheet metal screws if not appropriate for your application.
