## KARAJEN BOOTH BOX 2

The Booth Box 2 is a magnetic enclosed (double compartment) cabinet and spray gun holding rack, designed for the Automotive Paint Industry and other related painting and industrial applications.

Safely store and organize your tape, tack rag, razor blade, dirt pick tools, touch up brushes and other needed items in the specially designed Booth Box 2.

### Booth Box 2™ offers the following features:

- 2 mounting options for easy mobility: magnetic, or with mounting hooks-both options allow for air-flow passage in rear or front of cabinet
- Sloped design to allow for unrestricted air-flow
- Open space between cabinet and wall to eliminate pocketing of over-spray
- Engineered with 2 enclosed compartments for over-spray safe storage, and organization of your various tools and supplies
- 2 spray gun hangers attached, these gun hangers will also hold your air hose and degreaser bottles or other misc. tools.
- 2 item holding magnets for razor blades, dirt pick tool, ect.
- 2 tape hooks on the inside of cabinet to keep tape upright, and safe from heat and dust
- Durable 20 gauge steel construction with a high gloss powder coated finish
- Soft edge guard on gun hangers to eliminate damage to sprays/guns cups
- Cabinet dimensions: 15.5" width, 12.25" height, 7.5" depth
- Shipping weight is approximately 14.5lb. -magnetic model, 11lb. MTG. hook model
