## INNOVATIVE PANEL CART

### *Just-in-time Parts Storage!*

Industry's only panel cart that folds up (and stays up) when not in use.

Holds up to six large panels and glass.

Extensive padding – no metal-on-metal contact; no damage.

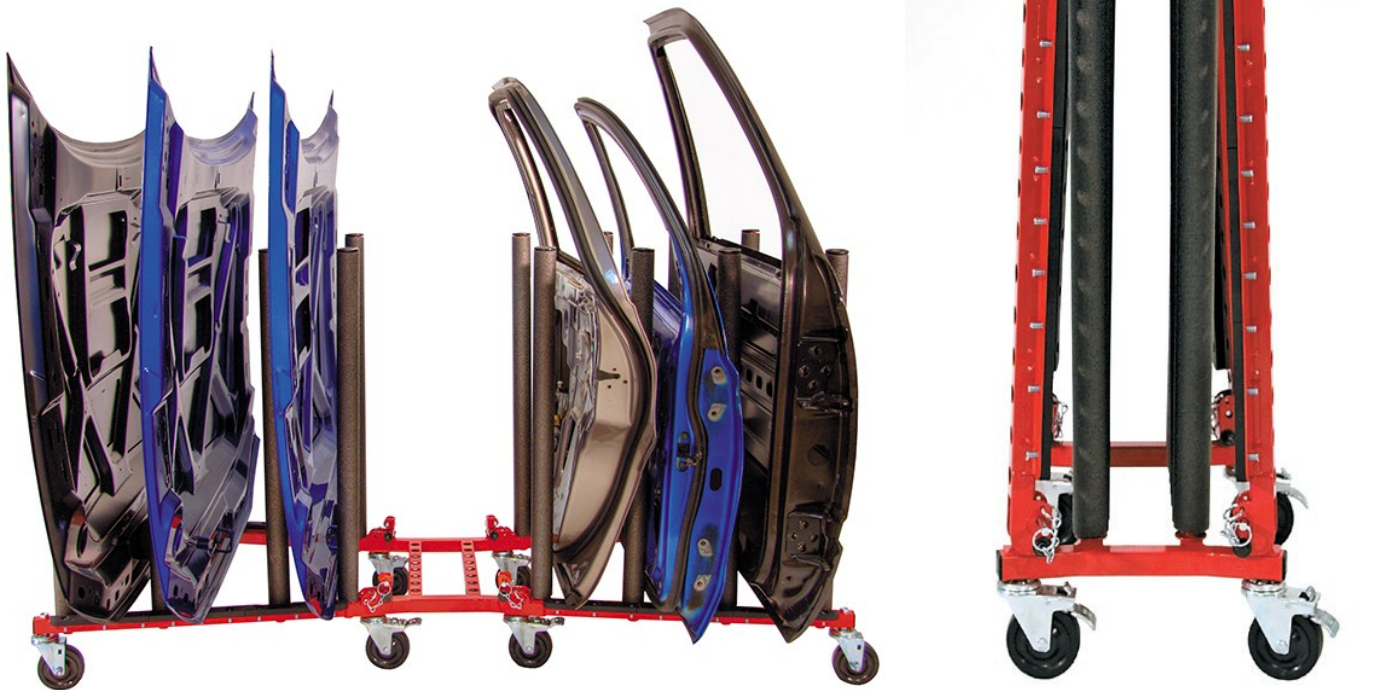

Can be used as a whole or only a half-unit

Convenient post-storage holder.

Twenty-six easy post settings for custom adjustment.

Heavy-duty caster wheels provide easy mobility.

Only two square foot storage footprint.
